

## NUOVA VALUTAZIONE PER LIVELLI – SCUOLA PRIMARIA

### *Lingua inglese*

<p><b>We would like to inform parents that this year's school report evaluation will not be marked by the usual evaluation in numbers (1 to 10), instead the following evaluation will be used:</b></p>	
<p><b>a) In via di prima acquisizione</b></p>	<p><b>a) First stage of acquirement:</b> the student can carry out their tasks only in settings they are familiar with and with the help of the teacher - not autonomously.</p>
<p><b>b) Base</b></p>	<p><b>b) Elementary:</b> the student can carry out their tasks in setting they are familiar with, both autonomously - even if not always- and following the instructions of the teacher.</p>
<p><b>c) Intermedio</b></p>	<p><b>c) Intermediate:</b> the student can always carry out their tasks autonomously in settings they are familiar with. They can carry out tasks in new settings following the instructions of the teacher - not always and not autonomously.</p>
<p><b>d) Avanzato</b></p>	<p><b>d) Advanced:</b> the student can carry out their tasks in both familiar and new settings, and both following the instructions of the teacher and using their own abilities - in an autonomous and continuative way.</p>
